Office of Legislative LiaisonSUBJECT: OMB Request for Agency Views on DOD
Report on S. 1613

1. The Office of Management and Budget (OMB) has requested the Agency's views on the attached Department of Defense (DOD) report on S. 1613 by 4 May 1984. A copy of S. 1613 is also attached for your review.

2. S. 1613 would amend portions of Title 10, United States Code, to enhance the extent to which certain military former spouses may receive military medical benefits, and post and base exchange and commissary store privileges. Much like our recent discussions on apportionment rights of military former spouses, I do not believe that S. 1613 or the DOD report on S. 1613 will affect Agency equities. Consequently, I recommend that the Agency state "no objection" to the proposed DOD report.

3. Unless I hear otherwise from you by noon, 4 May 1984, I will respond to OMB that the CIA has "no objection" to DOD's report on S. 1613.
